I., at conclusion of their conference during which they sought a solution to the Little Rock, Ark., school integration problem. (NEA Telephoto)

Complete Conversion

Harrisburg Telephone Exchange to Switch to Dial System Tuesday Night

The Harrisburg exchange of the General Telephone Company of Illinois will change over to the dial system at 10 p. m. Tuesday, Millard F. Lynch, Harrisburg district manager, announced today.

At that hour operators at the Harrisburg exchange will cease taking local calls and the new mechanical system will begin functioning.

Long distance operators will remain in Harrisburg at their present location. After the Harrisburg conversion there will be no county operators. Harrisburg customers will be able to dial direct to all telephones, including the rural phones, on the Harrisburg, Eldorado, Carrier Mills and Stonefort exchanges.

The Harrisburg exchange has been in its modern new building on Church street since June 10, with the switchboards remaining in the Harrisburg National Bank building.

Open House Oct. 10

Mr. Lynch announced that there would be an open house by the General Telephone Company of Illinois on Oct. 10, at which time the public would be invited to inspect the new building and its equipment.

The Harrisburg conversion completes the conversion of local telephones in the county on General Telephone exchanges.

New phone books have been distributed, which are in two sections. The first contains numbers for Harrisburg, Carrier Mills and

Stonefort and the second section for Eldorado, Ridgway and Shawneetown.

Mr. Lynch urged all customers with new dial telephones to read carefully the instructions in both the new telephone directory and in the red folder that has been enclosed. He pointed out that when dialing local calls it is not necessary to dial the CL or Clearbrook, prefix, that only the five numbers will be needed.

In fact, the first letters in the exchange names of Clearbrook for Harrisburg, President for Carrier Mills and Stonefort, will dial 5 and to call Harrisburg will dial 5 before dialing the numerals.

Eldorado customers in calling Harrisburg will dial 16 before dialing the Harrisburg number.

Fire Chief L. G. Martin of Harrisburg today urged the public to dial the correct number at the fire station. To report fires, the number 3-7134 should be dialed. For all other calls, persons should dial 3-7135, he stated. He emphasized that 3-7134 should be used ONLY to report a fire.

Manager Lynch today expressed his appreciation to the public for its patience during some trying times in changing the entire area over to the dial system.

Area Grocery Clerks Accept New Contract

Guy Price, president of District 1 of Retail Clerks, announced today a grocery contract for Area 1, including 11 locals in 17 towns including Harrisburg, was accepted at a mass meeting held Sunday at Mt. Vernon.

He announced the following changes in the new contract which will run from Aug. 17, 1957 to August 17, 1959:

Female clerks, drop from 45 hours, 5 1-2 days per week, to 40 hours, eight hours per day, five days per week.

Male clerks from 45 hours (some stores working five nine-hours, and some five 8 1-2 hours per day) to 42 1-2 hours in five days, 8 1-2 hours per day.

It includes an increase for female workers of \$6.55 per week, and the increase for male workers is 26 cents per hour which includes the 2 1-2 hour reduction in work week.

The contract, Price stated, also set up classifications of head checker, head clerk, head produce and head dairy.

The contract includes all grocery stores under the jurisdiction of the 11 locals in the 17 area towns.

GIANT SPIDER caught last week by Lloyd Gray of Gray's market when it appeared on banana stalk while feeding old bananas to his hogs in the country. The spider, reported by many to be a tarantula, has a leg spread of about five and a half inches. The National Encyclopedia says that the giant tarantula has a leg spread up to seven inches and its photo looks like the one pictured above. Size is indicated by the half dollar in the photo. "In the Middle Ages," the Encyclopedia says, "the bite of a tarantula was believed to cause a disease called tarantism, but in reality they are no more poisonous than other equally large spiders. Just how poisonous are other equally large spiders?" (Daily Register Staff Photo)

Airliner Crashes Into Swamp; 10 Persons Dead; 14 Injured

May Be Withdrawn This Week

Guardsmen Still Enforce School Segregation at Little Rock, Ark.

LITTLE ROCK, Ark. (AP)—Central High School, the focal point of the hottest desegregation dispute in history, opened for the third week of its fall semester today, still segregated and protected from "violence" by the National Guard.

Gov. Orval Faubus said Sunday night in a TV interview that the

troops may be withdrawn by the end of the week. There was no indication exactly when he will withdraw them.

About 25 troops lunged about the front lawn of Central High today when it opened. Mrs. L. C. Bates, president of the Arkansas chapter of the NAACP, had said that none of the nine Negroes turned back Sept. 4 by National Guardsmen would try to enter today. None did.

Faubus emphasized Sunday night that the troops would be withdrawn only "under a condition of tranquility and general acceptance by the people" and that he would determine when condition is met.

He ordered 250 Guardsmen and highway troopers to the campus Sept. 3 to prevent "violence and bloodshed."

New repercussions of the dispute, which had gone beyond the integration stage into the dangerous situation of a governor opposing the federal government, came out of the summer White House in Newport, R. I., today.

The Democratic Party's Advisory Council charged that President Eisenhower had "failed in his duty" to exercise decisive leadership in the desegregation dispute. Eisenhower held a long conference with Faubus in Newport Saturday.

White House Press Secretary James Hagerty said the Democratic council's statement would "be funny if it were not so pathetic." He accused the Democrats of playing politics and said, "The President is concerned with solutions, not political speeches."

New Red Cross Board Members at Luncheon Meeting

New board members were introduced to Saline County Red Cross chapter members by John R. Murphy, chapter chairman, at the regular luncheon meeting held last Wednesday at Schnierle's. Present to the chapter as new members of the board were Mrs. Eugene Morris, secretary, and Mrs. Dick Davenport, chairman of nursing services.

Chairman Murphy announced that new First Aid books are replacing the old study course, and that First Aid chairman Louie Beltz will arrange a refresher course for all first aid instructors on the new material.

Mrs. Dick Davenport announced that a meeting is planned to brief all instructors on a new course, care of sick and injured.

It was announced that Mrs. Ray Altmeir's group completed the standard First Aid course in August, with 22 adults qualifying. She was assisted in the course by Mrs. Fern Patton, Louis Aaron, Mrs. James Farley and Mrs. Ruby Price.

John Murphy announced that he has been invited by the National Junior Red Cross to participate in the Junior Red Cross Leadership Conference, to be held Sept. 27 and 28.

Members were reminded of the forthcoming Bloodmobile visit at the Elks club in Harrisburg on Wednesday, Oct. 2.

Mrs. Tom Cook, Former Resident of Walnut Grove, Dies in Arizona

Mrs. Lula Cook, widow of the late Rev. Tom Cook, died in the home of her son, Willard Cook in Tucson, Arizona, at 5 a. m. Saturday. Rev. and Mrs. Cook were former residents of the Walnut Grove community, and following Rev. Cook's death last December, Mrs. Cook went to Tucson to live with her son. She is also survived by another son, John Cook and her daughter, Mrs. Ruby Sherfield, both living in Detroit, Mich.

The body will be received by the Gibbons funeral home late this evening and will lie in state there Tuesday. Funeral arrangements will be announced later.

Mrs. Cook's brother, Floyd Perkins, and her sisters, Mrs. Effie Ozee and Mrs. Libbie Moore, are residents of Harrisburg.

NEW BIBLES FOR NEW COLONIAL—Paul Baker, Southern Zone leader of the Gideon association, presents new Bibles to Mrs. Ruby Nolen, manager of the Colonial (formerly Horning) hotel, for rooms in the hotel, replacing old ones. Mr. Baker presented sixty Bibles in behalf of his association, part of which are shown above. Last Sunday Mr. Baker presented 20 Bibles to two motels in Benton. The Gideon association presents Bibles free of charge to hotels, motels and institutions. (Daily Register Staff Photo)

Nine Traffic Deaths in Illinois Including Two Students at SIU

By United Press

At least nine persons, including two youngsters and two Southern Illinois University students, were killed on Illinois highways during the weekend.

Thomas Eddy, 22 months old, was killed by a truck Saturday when he wandered into the street in front of his Park Forest home. The truck driver, James Jamieson, 43, also of Park Forest, was booked for reckless homicide and driving while intoxicated.

Another youngster, Robert Taley, 10, Chicago, was fatally injured by a car Sunday when he ran out of a passageway into an alley.

John Mike Costoff and Richard Gregg, who would have been juniors at SIU this year, were killed Sunday when their car went out of control on U. S. 66 near Hamel.

2 Autos Damaged In Crash on Rt. 145

Two automobiles were damaged badly but there were no injuries at 5 p. m. Saturday in a collision at Route 145 and the Eddyville blacktop road, State Policeman Roy A. Lane reported today.

The automobiles were driven by Barbara Gullett of Eddyville and Faughn Booker of La Centre, Ky.

He said the crash occurred when the woman drove off the blacktop onto Route 145, upon which Booker was travelling.

Supervisors Take Over

Western Electric Strike Curtails Long Distance Telephone Service

NEW YORK (AP)—Western Electric Co. equipment installers in 44 states went on strike today, and long distance telephone operators refused to pass picket lines at many of the nation's major communications centers.

Supervisory telephone company employees began taking over operation of long distance lines shortly after the strike went into effect at 5 a. m. e.d.t. By mid-morning long distance service in most sections of the country was curtailed, and in some cases reduced to emergency calls only.

Local telephone service through out the nation was reported nearly normal. Telephone company spokesmen gave assurances that the automatic switchboard system which controls 85 per cent of local telephone service would not be affected by the strike.

The walkout was called against Western Electric by the Communications Workers of America, a union representing 23,800 employees who install Western Electric telephone equipment in central offices of telephone and telegraph companies. The union had demanded a pay boost and improved fringe benefits, but negotiations broke off three hours before the strike deadline. They were scheduled to resume this afternoon.

1,500 Telephone Installers Walk Out In Illinois

CHICAGO (AP)—About 1,500 telephone installers in Illinois, Wisconsin and two northern Indiana counties went on strike today in a nationwide walkout called by the Communications Workers of America.

Picket lines were set up today at four telephone buildings in Chicago and at exchanges in Springfield, Champaign, Decatur, Joliet, Aurora, Beardstown, Quincy, Evanston, Blue Island, Waukegan, Danville, Edwardsville, Peoria, Oak Park, Rockford, Sterling, Ottawa, Cicero, Elgin, Rock Island, and Arlington Heights, Ill., and East Chicago, Hammond, Gary and Whiting, Ind.

Boston to N. Y. Plane Hits Bog Near Airport

Death Toll Held Down as Wreckage Does Not Burn

NEW BEDFORD, Mass. (UP)—A fog-delayed Northeast airliner with 24 persons aboard including homeward-bound vacationists plunged into a swamp last night.

At least 10 persons, including the pilot and co-pilot, were killed and 14 others were injured when the Boston-to-New York plane slammed into the tree-lined bog near Municipal Airport.

Death are:
Charles A. Chase of Vineyard Haven, Mass., en route to New York.

The pilot, Capt. Vincent L. Pitts, 35, Wellesley, Mass.
Co-pilot, Roger Sweetland, 31, Arlington, Mass.

Allan Melhado, Nantucket and 57 Park Ave., New York, an investment banker.

Mr. M. K. Schles, 673 Madison Ave., New York City.
David L. Chapman, 12 E. 88th St., New York City.

Russell D. Bell, 70, of 4625 Grand Blvd., Montreal, a banker. Three women's bodies, believed to be:

Mrs. Bradshaw, Britton Ave., Elmhurst, L. I.
Mrs. Eccles, Elmhurst, L. I., traveling with Mrs. Bradshaw.

Mrs. Mary Brownell, Jamestown, R. I.

Plane Didn't Burn
The radar-less twin-engine DC3 split wide open like a broken egg. But the death toll was held down by the fact the wreckage did not burn.

Rescuers walked or rode single file over a narrow, winding dirt road, only open access to the swamp, and spread ladders and on end over the bog to gain footing in carrying out the dead, dying and injured.

Floodlights pierced the clammy fog, silhouetting the broken fuselage. It was suspended in trees with the right side of the tail six feet off the ground. The left wing and left tail were sheared off. The left underside was ripped open. The nose was partly buried in mud 50 feet away.

The silver airliner, flight 285, had taken off from Boston's Logan Airport at 5:50 p. m. e.d.t. and had stopped at Hyannis on Cape Cod, and the vacation islands of Nantucket and Martha's Vineyard. The plane was to make a call at New Bedford's Municipal Airport before continuing on to La Guardia Field, New York.

Drops Suddenly
While circling Municipal Airport for a landing, the plane suddenly dropped to the ground, disappearing behind thick trees. So dense were the trees, the wreckage was not found until 11:10 p. m., more than two hours after the crash.

Rescue operations were slowed down by the inaccessibility of the swamp. Ambulances, trucks and fire apparatus had to travel slowly single file over the only dirt road. A small stream on the edge of the bog had to be bridged with ladders.

Mrs. Edd Miller Dies at Pankeyville

Mrs. Cloie Doolin Miller, 67, widow of Edd Miller, died at 1:20 a. m. today at her home in Pankeyville. She is survived by her son, Fred Miller, and her daughter, Mrs. Mary Long, both of Pankeyville; her brother, James E. Greer, Indianapolis, Ind.; and her sisters, Mrs. Donna Liggett, Danville, and Mrs. Mary Brown, Detroit, Mich.

The body will lie in state at the Gibbons funeral home and funeral plans will be announced later.

West Frankfort Redbirds Rip Carbondale, 27-0

By United Press
The Illinois prep football season got off to a flying start Friday night and two of last year's unbeaten titans were jolted with defeats in their 1957 debuts.

Champaign's Maroons, a third undefeated power of 1956, also got a scare but managed to pull out a 6-0 triumph over Springfield Feitshans to keep their victory streak intact.

Carbondale Community, which had only one tie to mar its 1956 record in the Southwest Egyptian Conference last year, got off on the wrong foot in the new campaign and was bludgeoned 27-0 by West Frankfort's Redbirds.

Tuscola, which went undefeated to the Okaw Valley Conference title last year, also skidded into the loss column, being edged 14-12 by the Paris Bulldogs.

Three Peoria city teams put on a convincing show of strength in their opening games, with Peoria Manual leading the way with a thumping 60-6 rout of East Peoria. Peoria Woodruff dumped Chicago Tilden Tech 13-7, and the Peoria Spaulding Irish walloped Peoria Limestone 30-0.

Arcola ran up one of the night's high scores in smashing Lexington 56-0.

In other high scoring games, Polo whipped Galena 45-0, Abingdon trampled Galesburg Corpus Christi 44-0, Chillicothe stopped Princeville 39-0, and Carlinville thumped Litchfield 36-6.

Among Big 12 teams, starting their last season before the conference breaks up, Mattoon jolted Robinson 34-0, Streator clipped Kankakee 13-7, and Danville crushed Chicago Crane Tech 39-0. Two other Big 12 teams lost, Bloomington going down before Normal Community 15-6, and Lincoln taking a 6-0 defeat at the hands of Springfield Lanphier.

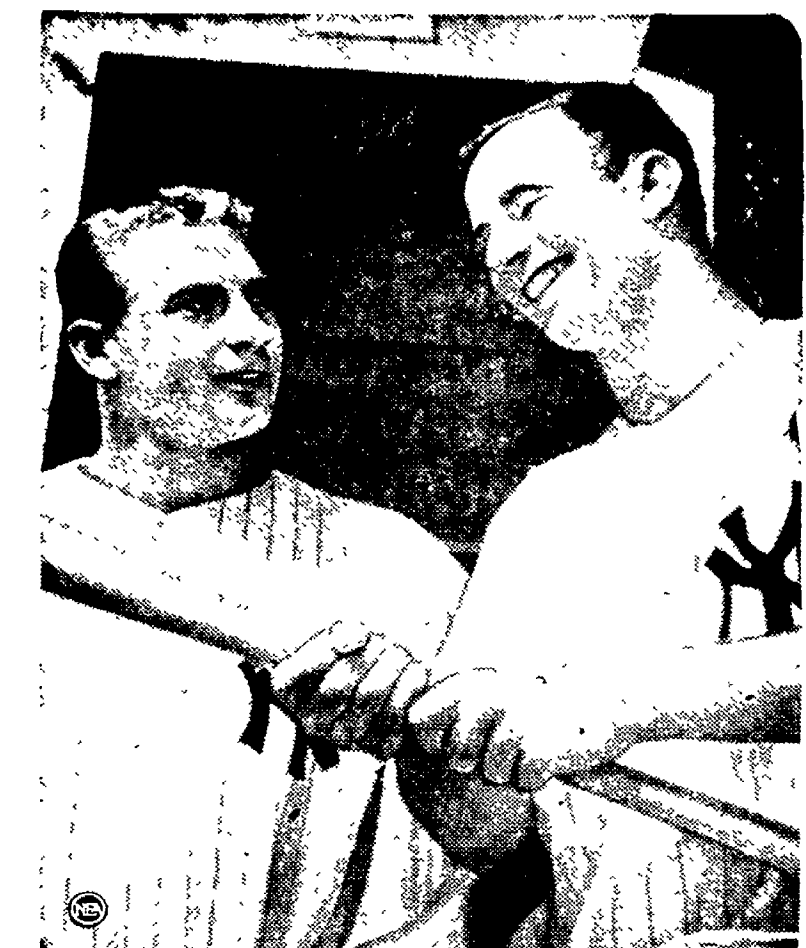

All were non-conference games. In southern Illinois, Murphysboro emerged with a 7-0 win over Harrisburg. Eldorado walloped Marion 34-6, Mount Vernon blanked Chester 21-0, Herrin smashed Zeigler, last year's Black Diamond Conference champion, 32-0, and Collinsville edged Centralia 21-20.

Bull Dogs Drop Grid Opener, 7-0

SWING FOR YOUR SUPPER—After beating the Boston Red Sox with a three-run home run in the bottom of the ninth at Yankee Stadium, Bob Grim delights in showing Mickey Mantle and other New York sluggers just how it's done. It was the right-handed relief pitcher's first hit of the year.

Eagles Race to 34-6 Win at Marion

Eldorado Gains 384 Yards in Grid Opener

Eldorado, scoring in every quarter but the second, walloped the Marion Wildcats Friday night 34-6. It was the opening game of the season for each team and was played on the Marion gridiron.

Eldorado scored 13 points in the opening period, 14 in the third and seven in the final frame. Marion's lone TD came early in the first period.

Statistics show the winning Eldorado team was superior in practically every department of play, running up 12 first downs to Marion's 6, gaining 384 yards from scrimmage while holding the opposition to a net gain of 93 and the passing game was near even.

Marion completed more passes, but Eldorado's one completion was for 32 yards, about equal to the total gained on Marion's three completions.

Brightest spot in the Marion attack was two kickoff returns by Jim Pluck, 170-pound senior halfback. He raced 80 yards to a TD on one occasion and twisted and turned for another 30-yard return.

Eagles Score Early
The game started with Eldorado kicking off, holding Marion on three plays and taking the Wildcat punt on the Eldorado 45-yard line. On the first play from scrimmage Jerry Rains, fullback exploded through the line and raced to the 10 before he was hauled down. Feaguy went over for the TD. The PAT was missed.

On the following kickoff Pluck took the ball on the 20, moved to his left, picked up a couple of blockers and went all the way to score for Marion. The PAT failed and the score was tied 6-6.

Eldorado brought the kickoff to its own 46 and advanced the ball.

in seven plays to the 32. Quarterback Justice passed to Jack Fowler, at end, for the TD, then Justice carried for the point and Eldorado led 13-7.

Scop Up Fumble
Neither team scored in the second quarter, with both Eldorado and Marion recovering fumbles to halt potential thrusts.

Midway in the frame Eldorado lost the ball on Marion's 34-yard line. Six plays later Marion fumbled and lost on Eldorado's 35.

Eldorado failed to score a first and ten in the third quarter, but picked up 14 points.

Eldorado took the kickoff on its 15. Rains gained 3, Feaguy 5, then Fowler, moved to a halfback spot as the second half began, raced 77 yards to score. Fowler ran for the PAT.

On the first play following the kickoff Marion fumbled, Eldorado Co-Captain and end James Wood scooped up the ball and raced to

Middlecoff Sets Torrid Pace In Dallas Open

DALLAS, Tex. (AP)—Cary Middlecoff was setting a torrid pace in the \$40,000 Dallas Open today because he's defying the adage that those low 60s you chalk up in practice won't show up when the heat's on.

Middlecoff, whose health has been below par and his golf game above par much of this year took out over the short, 6,300-yard Glen Lakes Club layout just like he was playing a practice round and wound up with a sizzling 32-31-63, 8-under Glen Lake's par 71, and good for the first-round lead.

Big Al Besselnk, Grossingers, N. Y. was in second place with a 33-31-64. Two other players were only one stroke further back at 65. They were Earl Stewart Jr. of Dallas and Howie Johnson, a transplanted Minnesotan who lives in Houston, Tex.

There are 99,227 dentists in the United States.

Willie Mays Paces Giants To 7-3 Win Over Cardinals; Dodgers Beat Braves, 5-1

By United Press
Willie Mays and Roy Sievers don't have the traditional advantage of playing for pennant contenders but there probably wouldn't be a whisper of protest among baseball men if they won the year's most valuable player awards.

The New York Giants' brilliant all-around star and the Washington Senators' slugger were "one man gangs" again Friday night as they sought to nail down statistical proof of their great seasons.

Mays had four hits and threw out a runner at the plate as the Giants whipped the St. Louis Cardinals, 7-3, while Sievers drove in three runs with a pair of homers to lead the Senators to an 11-6 triumph over the Kansas City Athletics.

The Giants' victory held the Cardinals five games behind the first-place Milwaukee Braves, who bowed to the Brooklyn Dodgers, 5-1, in the National League race while the only significance of the Senators' win was they now have a mere 14 games to play before they can watch the World Series on TV.

On three hits and four straight walks in the seventh inning to deal the wobbly Braves their seventh loss in 11 games, Don Drysdale struck out five and allowed only five hits in gaining his 15th victory compared to nine defeats.

Smokey Burgess' eighth-inning homer provided the margin of victory as the Cincinnati Redlegs outslugged the Philadelphia Phillies, 8-7, and the Pittsburgh Pirates downed the Chicago Cubs, 4-1 and 2-1 in other NL games.

In the American League the New York Yankees widened their lead to six games with a 7-1 triumph over the second-place Chicago White Sox and the Cleveland Indians crushed the Boston Red Sox, 16-3. Detroit at Baltimore was rained out.

Johnny Klippstein was the co-hero for the Redlegs, coming out of the bullpen in the ninth to retire Willie Jones and Chico Fernandez and stop a three-run Philadelphia uprising.

Red Devils Score From Harrisburg Fumble in Final Seconds of Play

The Murphysboro Red Devils snatched victory from the Harrisburg Bull Dogs in the last half minute of their opening football contest at Murphysboro last night.

The Bull Dogs were far out in front in statistics as they played a magnificent defensive game, but Murphysboro copped a 7 to 0 victory, which was the main thing.

With just about a half minute left Harrisburg had a first down on the M-37. But on the play that followed the ball was fumbled on a pass attempt and Eddie Shaw, fastest man on the Murphysboro team, picked up the loose ball and raced about 56 yards to score.

There were 24 seconds left in the game when Shaw crossed the goal line. He had a clear field ahead and no fast boys nearby when he grabbed the pigskin and started running. Ken Lavender kicked the extra point.

Tally Nullified

Up to that point Harrisburg had had a decisive edge. The locals had moved to the M-14 in a third quarter touchdown drive, only to lose on a fumble.

They roared back to take the ball over the goal line, when Eddie Price smashed two yards for an apparent score on the next to last play of the third period, but the tally was nullified for backfield in motion.

Statistics show Harrisburg made nine first downs to three for Murphysboro. Harrisburg gained a net 129 yards from scrimmage to a net 15 for the Red Devils. Harrisburg had a net 48 yards rushing and 81 passing to Murphysboro's net 15 from scrimmage and nothing from passing, which shows how great the Harrisburg line was charging.

Harrisburg completed nine out of 18 passes and had one interception. Murphysboro failed to complete a pass in four attempts, one heave being intercepted.

Defense Sparkles

Biggest star in the Harrisburg crown was the wonderful defense put up, as can be seen from the Murphysboro statistics. Time after time Bull Dogs broke through to throw Murphysboro ball carriers and passers for losses. The entire line played great ball all night.

Best threat Murphysboro made until the final tally was in the first quarter when the Red Devils moved from the H-38 to the H-28. But there they first lost six yards, then 17, in efforts to move the ball. Early in the second quarter Shaw got off for a 38 yard run before tackled by Mickey Stone and Ray Hassett and on the next play Bud Logan threw Lavender for a big loss and Murphysboro had to punt.

Harrisburg had to play without Don Biggs, their best ball carrier, who was declared ineligible only the day before the game. Coach Lawrence Caluffetti had to do some quick work and changed end Bill Yates into a halfback overnight. Yates did a fine job, getting off for two nice 14-yard runs.

Few Local Substitutions

The Bull Dog ranks are thin this year and most of the boys played the entire game. In fact, only notable substitution was that Bill Endsley and Darrell Biggs alternated at a guard post throughout, Endsley playing on offense and the sturdy Biggs on defense.

Stone-to-Hassett passes clicked well on offense. One of them went for 22 yards, another for 20. Caluffetti started the following lineup:

Ends: Ira Logan and Don Pickford. Tackles: Jack Simpson and Ron Maynard. Guards: Gary Aldridge and Bill Endsley. Center: Allen Buchanan. Quarterback: Ray Hassett. Halfbacks: Mickey

Stone and Bill Yates. Fullback: Eddie Price.

Boys who got into the game were Darrell Biggs at guard, David Dalton at halfback, Joe Wathen at end, Gary Leverette at guard, Wendell Fisher at halfback and Carl Fleming at end.

After the game Coach Caluffetti praised his team by telling the boys: "All that I'll ever ask of you is to do your best. You certainly did that tonight and I'm proud of you. One of the best teams our high school ever had was back in 1948 and they lost their opener to Murphysboro. But they roared back to beat everybody else."

Next game will be against Marion at Taylor Field Friday night. It will be a conference game.

BOY ON HIS HORSE—Above is shown Freddie Brantley, 11-year-old son of Mr. and Mrs. James Brantley of Ledford engaged in one of his favorite activities—riding his horse. The boy recently returned from Mayo clinic in Rochester, Minn., where he underwent examination. His family wishes to thank all who made the trip to Mayo's possible, especially members of the Ledford and Caarrier Mills Baptist churches and to the Harrisburg Dairy, which flew the boy to the clinic in its private plane free of charge. (A. Sweat Photo)

Slays Wife On Steps of Church

INDIANAPOLIS 1P—Police today said Clifford Groover, 50, admitted slaying his estranged wife on the steps of a Roman Catholic church rectory and then firing several shots at a priest who came to her aid.

Mrs. Edna Groover, 46, was fatally wounded by a burst of pistol fire shortly after mass Sunday morning at Holy Cross church here and died a few minutes later in the parish priest's house.

The gunman fired wildly at the Rev. Dennis Spalding, pastor of the church, when he knelt to aid the wounded woman and to give her the last rites of the church.

The pastor escaped injury and the gunman jumped into a car and drove away.

Groover, who separated from his wife two months ago, was captured near Shelbyville, Ind., and returned to Indianapolis for questioning.

Police said Groover told them he killed his wife because he was upset over the divorce they were planning.

Groover was charged with murder.

University of Illinois plant scientists are testing the effects of different amounts of sunlight on production of sugars, starches and protein in corn planted in the field.

STAMPEDE
AT BLUE SPRINGS

BY GENE OLSON

XXVIII

We ate at the hotel, me and Blanchard. It was quiet in the dining room and coming on hot. There wasn't even much clatter in the kitchen. I didn't order much and I didn't eat all of what I ordered. Blanchard paid and I said it was my turn but he shook his head.

Blanchard lit the smoke, flipped the match 20 feet into the street and blew out a cloud. "What happens to you after we get Dorsey back?"

I shrugged. "Nothing. Outside of my skin getting hung on a rusty nail out at the Clements."

Blanchard nodded. "So if you got sense you'll get ready right now. When Dorsey comes in, you head out fast."

I looked out the wagon road north, where there was country I hadn't even heard much about. "Where'd I go?"

"Head out a hundred miles, file on some ground and farm it."

"I got no money."

"You've got a team and wagon. And a good rifle. Kill some buffalo sell some hides, pick some bones. If that's not enough, I'll stake you until you get a crop."

"I'm much obliged, Harney."

I saw Owen sitting at the harness room, wiping at his face with a dirty bandana. I thought maybe I should tell him that I was packing. There was some back pay owed to me and if I didn't give him some warning, he might not have cash to pay me. More than likely I'd be needing every cent I could get my hands on. I went back to the doorway. "Owen," I said, "I might be heading out tonight. I mean for good."

Owen's jaw dropped and the thickness wobbled under his chin. "Why, where might you be going?"

"Don't know. I'll be needing my back pay."

"You hadn't ought to go, Pike."

No need to go—

"Blanchard laid it on the line. He expects them to turn Dorsey loose this afternoon or maybe tonight. Then Blanchard'll take him and git you and you know what'll happen to me if I stick."

Owen took a step toward me. He said, "It's done with... the trouble?"

I thought right then that Owen was a little disappointed, afraid he might get cheated out of some excitement. Maybe a lot of folks were like that, liking a fight if they could hide from it and watch it.

"No," I said. "It's not all done with."

I left then and let him puzzle it out. I looked at Pilot and ladled him some oats and he munched it fine. At least his appetite was picking up. I knew I'd have to go easy with him on the trail for a while. I went up to the loft and rolled my extra shirt in my blankets and looked around. There was the frying pan to take and the tin cup and my old war bag to hold extra rifle shells and an old skinning knife and some food. And my lantern and my canteen. It didn't turn out to be much.

When I went down Owen was standing with some money in his hand and he gave it to me. Seventeen dollars. It seemed about right so I didn't bother to figure it up. I didn't think Owen would cheat me. I went down to Carter's and bought the jerky. Then I went to the hotel. Blanchard was standing, waiting for me.

Blanchard came down the steps and we walked around the corner and past the depot and along the tracks to Peterson's office.

It was a small office but Peterson did a lot of business in it. Blanchard went in through the open door and I followed. Peterson sat at a dark brown desk that

looked twice as big as a man might need.

He had his hat off and a cigar in his mouth and I can't say he looked happy to see us. Me, in particular. Waiting for Blanchard to talk, I just looked out the window at the racks of bleached buffalo bones that stretched along the tracks as far as I could see like a great dead wall!

Blanchard said, "You have anything to say to me, Mr. Peterson?"

Peterson bumped ashes off his cigar butt onto the floor. He said, "It would just be noise in the wind."

"Maybe not. Pike says you got something on your mind."

"That's between me and Pike. No law forces me to tell you."

"Law?" A quick smile came over Blanchard's mouth. "Law, in Blue Springs?"

Peterson frowned. "There's more than one kind of law, Blanchard. I've been wondering what kind it is you represent."

"United States law, Mr. Peterson."

Peterson rose and came around the desk and leaned on a corner of it. "Law, marshal, is to prevent trouble, not make it. There's too much blood on your law for my taste. And another thing. For a lawman, you keep strange company."

I didn't want to spoil it for Blanchard by getting to mad so I just threw a look at Peterson and stepped outside. I stayed close against the wall, though, so I could hear.

"All right," Blanchard said, low. It sounded like he was a little mad, too. "All right, Mr. Peterson. You listen now. I had to take Pike Ambrose at face value when I came into his town because there wasn't anybody else with guts enough to back up the law. I don't care what his father was or what he was before I hit town. In my books he's a good man."

I heard Peterson draw a deep breath. I don't think anybody had ever talked like that before to Jordan Peterson.

UGLY BLACKHEADS
OUT IN SECONDS
with VACUTEX
BLACKHEAD EXTRACTOR
\$1.99

Blackheads are ugly, offensive, embarrassing. They clog pores, mar your complexion, invite criticism. Now your blackheads can be removed in seconds, action-tightly, and easily, without pinching or squeezing the skin. VACUTEX creates a gentle vacuum around the blackhead, draws out hard-to-reach places in a jiffy. Germ laden hands never touch the skin. Simply place the direction lines over your blackhead, draw back extractor... and you're done. Release extractor and blackhead is ejected. VACUTEX does it all! Don't risk infection, order today!

BIBLE THOUGHT FOR TODAY

The kingdom of God is within
you. Luke 17:21.
The most revolutionary discov-
ery of the ages is just this!
If we learn how to use this in-
finite power we cease to be broth-
ers of the beasts and we become
sons of God, brethren of Christ who
was the first born of many brethren.

Manufacture of the new structural
metal called titanium sponge is
expected to open a substantial new
market for bituminous coal. Ex-
perts predict demand in this mar-
ket for one million tons of coal a
year by 1959 and an eventual mar-
ket for 25,000,000 tons annually, in
the form of electric power.

Bladder 'Weakness'

If worried by "Bladder Weakness" (Get-
ting Up Night or Bed Wetting, too fre-
quent, burning or itching urination) or
Strong Smelling, Cloudy Urine, due to
common kidney and bladder irritation,
try CYSITEX for quick help 30 years use
prove safety for young and old. Ask drug-
gist for CYSITEX under money-back guar-
antee. See how fast you improve.

**MRS. ELEANOR ROOSEVELT
ENDORSES AMAZING NEW
HEARING INVENTION**

Mrs. Eleanor Roosevelt has now
joined other prominent Americans
and people from all walks of life in
praising a revolutionary new hear-
ing device called "The Listener." "It
certainly heralds a new day for the
hard of hearing," said Mrs. Roose-
velt recently.

Continuing, she added: "If people
only knew what a revelation and a
joy the LISTENER is, they would
not for a moment hesitate to wear
one. This is the first hearing aid that
exactly fits my needs. I didn't realize
a hearing aid could be as good as
this."

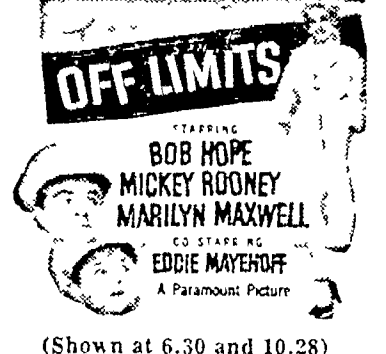

So widespread is the interest in this
remarkable new electronic hearing
achievement, the makers have pre-
pared an illustrated booklet giving
full details. Those interested may
obtain a free copy from:

**The WASHINGTON
MERRY-GO-ROUND
by DREW PEARSON**

(Editor's Note: Drew Pear-
son is now reporting from the
vitaly important Near East).

DREW PEARSON Says:
The Greeks Just Don't Like
Mr. Dulles; Quick Words
From State Department Undo
Months Of Building Good
Will; U. S. Needs To Help
Solve Cyprus Problem.

ATHENS, Greece.—The Greeks
have a word for John Foster Dul-
les. It is "Anekdiagetos" and it's
difficult to translate. It means
a short story that can't be told
in a short story, which is another
way of saying they don't under-
stand Mr. Dulles, can't explain
Mr. Dulles, and don't like Mr. Dul-
les.

Americans, watching the Greek
scene, put it another way—name-
ly, that every time the United
States has piled up good will with
Greece, Mr. Dulles knocks it over
with a single statement.

Two years ago this month Sec-
retary Dulles did this by sending
identical notes to Greece and Tur-
key after the Turks had broken
open Greek stores in Turkey, ruined
several million dollars worth of
produce, desecrated Greek church-
es, scalped a Greek priest and
strewn the bones of Greek graves
over the landscape. Completely
failing to differentiate between
the aggressor and the aggrieved,
Mr. Dulles sent equal notes of ad-
monition to both Greece and Tur-
key. He had much better said ab-
solutely nothing.

The result was a storm of Greek
indignation plus the stoning of the
American consulate in Salonika.

ANOTHER FAUX PAS

This September, almost on the
anniversary of Mr. Dulles' former
booboo, someone in his State De-
partment dropped another off-the-
cuff remark that left the sensitive
Greek people seething.

It was stated at the State De-
partment that neither President
Eisenhower nor Secretary Dulles
would receive the famed Cypriot
patriot, Archbishop Makarios, when
he came to the United States.

Cyprus is a Mediterranean isl-
and which may not mean much to
the average American, but in
Greece this was like yelling "down
with the Pope" on the steps of
Cardinal Spellman's archdiocese
in Fifth Avenue. Archbishop Ma-
karios hadn't asked to see Dulles
or Eisenhower, had not yet left
for the U. S. A. might not even
have gone to Washington. Yet
the State Department handed him
a gratuitous slap-in-advance any-
way.

On top of this, and only a few
days later, the Voice of America
congratulated the Turks on their
Victory Day celebration of the
1922 war with Greece. True, the
Voice of America has always done
this, just as the American am-
bassador in Greece attends the
anniversary of the battle when the
Greeks pushed the Turks out of
Athens.

But coming right after the Ma-
karios snub the combined boo-
boos offset several hundred mil-
lion dollars worth of foreign aid
poured into Greece. A kind word,
especially in Greece, will some-
times work more miracles than
dollars anyway. In this case the
unkind word undid the work of dol-
lars.

Here are samples of how Greek
newspapers, usually friendly to
the United States, fumed against
the State Department:
Eleftheria "Americans some-
times can be unbearably rude...
what a sad American leader does
after making their decision (not to re-

**Thinking
It Over**

By Robert L. Dieffenbacher, D. D.
(Written for NEA Service)

Why do we fail to kneel in pray-
er more regularly? Is it really
arthritis which stiffens the knee
joints or is it lack of use? There
are many excuses offered for not
praying. Some say that they do
not know how to pray. Others ex-
cuse themselves by stating that
they do not have time or that they
forget to talk to God.

Those who pray regularly find
little difficulty in falling to their
knees many times a day. When
God is recognized as our needed
advisor and friend, there is no
hesitancy in speaking to the
Heavenly Father at any time.

Actually we can and do pray
standing up, sitting down or ly-
ing in bed. Kneeling is only an
attitude of humility rather than a
physical posture.

Prayer is not a selection of
strange words directed toward a
distant Being. It is a conversa-
tion. We confess our sins. We
tell God our troubles. We thank
Him for His blessings. We listen
to His counsel for guidance in
living and for ways to avoid
temptation.

Prayer makes life more satis-
fying.

When the late Admiral Byrd
made his 1926 voyage to the North
Pole, bituminous coal was the fuel
relied on by the expedition to pow-
er the vessel "Chantier." Now, more
than 30 years later, the interna-
tional Geophysical Year expedition
to the South Pole has reported dis-
covery of coal "in large amounts."

**Science Shrinks Piles
New Way Without Surgery**

**Finds Healing Substance That Does Both—
Relieves Pain—Shrinks Hemorrhoids**

New York, N. Y. (Special)—For the
first time science has found a new
healing substance with the astonish-
ing ability to shrink hemorrhoids
and to relieve pain—without surgery.

In case after case, while gently
relieving pain, actual reduction
(shrinkage) took place.

Most amazing of all—results were
so thorough that sufferers made
astonishing statements like "Piles
have ceased to be a problem!"

The secret is a new healing sub-
stance (Bio-Dyne*)—discovery of a
world-famous research institute.

This substance is now available in
suppository or ointment form under
the name Preparation H.* At your
druggist. Money back guarantee.

Kaese-Lockwood Marriage Solemnized In Double-Ring Ceremony at Marion

Mr. and Mrs. Richard Lockwood

Miss Jacquelyn Kaese, daughter of Mr. and Mrs. Walter Kaese of Marion, became the bride of Richard Lockwood, son of Mr. and Mrs. John Lockwood of Harrisburg, on Sept. 7 at 9:30 in the morning in St. Joseph's Catholic church, Marion.

Rev. Bernard Mongan officiated at the double-ring ceremony and the Nuptial High Mass, before the altar decorated with gold vases of white gladioli. The pews were marked with white satin bows.

After the Mass, the bride placed a bouquet of white gladioli at the altar of the Blessed Virgin Mary, while the choir sang Howard's "Ave Maria."

The bride, given in marriage by her father, wore a waltz length bridal gown of peau de soie and Chantilly lace. The bodice, fashioned on princess' style, was of peau de soie with a yoke of Chantilly lace both front and back and had cap sleeves and a Sabrina neckline. Lace and pear motifs were appliqued on the skirt. She wore elbow mitts. A clip-on crown of pearls and sequins secured her veil of lace and illusion. She carried a white lace covered prayer book, topped with blue tinted carnations, stephanotis and satin streamers.

The bride chose for her maid of honor, Miss Catherine Lockwood, sister of the bridegroom. Miss Francey Daniel served as bridesmaid and Miss Mary Ellen Kaese, sister of the bride, as junior bridesmaid.

Rita Kay Simpson was flower girl and Dick Kaese, brother of the bride, was ring bearer.

Her attendants wore identical waltz length gowns of light blue crepe backed satin on princess lines. The fitted waist lines were trimmed with the reverse side of the material in Cotillion blue, continuing into the back panels of the dresses, accented by butterfly bows of the same color. Their small crowns with lace veils were pale blue. They wore matching elbow mitts and shoes. They carried cascade bouquets of white carnations, the honor attendant having blue tinted carnations. Each bouquet was interspersed with blue lace and shower of light blue ribbons.

The flower girl wore a dress fashioned like that of the bridesmaids. She carried a basket of rose petals.

Attending the bridegroom as best man was Richard Harold of Harrisburg. Groomsman were Donald Minner of Carbondale and Richard Hanning of Harrisburg. John Connolly of Marion and Jim Parrish of Harrisburg were ushers. They were attired in summer formal as was the ring bearer.

For her daughter's wedding, Mrs. Kaese wore a charcoal costume suit with pink accessories and pink corsage. Mrs. Lockwood wore a beige sheer wool with beige accessories. Her corsage was of yellow roses.

Immediately after the ceremony, a reception was given at the home of Mr. and Mrs. John Connolly. A blue and white color theme was carried out in decorations for the bridal table. Blue tapers, white carnations and ivy complemented the three tiered wedding cake.

At the reception table were Mrs. Donald Minner, Mrs. Don Morgan, Miss Guylla Cochenour, friends of the bride, and Misses Julie Kaese, Kathleen Jinkerson, and Mary Ann Krings, cousins of the bride. Mrs. Ronald Green, another friend of the bride, registered the guests.

During the reception, Miss Kath-

Mrs. J. L. Miller Attends I.F.W.C. Meeting

Mrs. J. L. Miller, president of the 24th district, Illinois Federation of Women's clubs, returned Friday from a meeting of the federation held in Pere Marquette state park, at Grafton. Seventy members from districts throughout the state attended the meeting, which opened with a dinner Tuesday, during a get acquainted period.

Mrs. Miller, the state board member from this district, presented the devotion at the Thursday meeting.

The group visited Lincoln Lodge, the Marquette boys' home which the federation sponsors. The tour was led by Mrs. John W. Chapman, wife of the Lt. Governor of Illinois.

Hospital Notes

Harrisburg Hospital

Mrs. Kenneth Earl Powell, Carrier Mills.

Mrs. Ray Krantz, 405 West South street, Harrisburg.

Mrs. Harold Potter, 1005 South Granger street, Harrisburg.

Mrs. Evadean Woodruff, 608 South Granger street, Harrisburg.

Sam Dudley, 104 National street Harrisburg.

Rev. and Mrs. Robert Leland Armistead Visits Parents In Harrisburg

Rev. and Mrs. Robert Leland Armistead were week end visitors in the home of Rev. Armistead's parents. Mr. and Mrs. Leland Armistead, 32 West Park street, Harrisburg. Rev. and Mrs. Armistead have returned from Pearl Harbor, where they were married at the Submarine Base chapel, June 14. Mrs. Armistead came to the states about two weeks ago, and visited with her parents. Mr. and Mrs. Dan Slayden, Santa Fe, N. M., while awaiting Rev. Armistead's release from the U. S. Naval service. Rev. Armistead joined her there and they arrived in Harrisburg Saturday.

Rev. and Mrs. Armistead left for Louisville, Ky., today where he will enter the Southern Baptist Theological seminary.

Mr. and Mrs. Franklin Leathers and Mrs. Robert Hellmuth and daughters Patricia and Pamela of Carmi were guests of Mr. and Mrs. Clyde Pittman Sunday.

Marriage Licenses

Patrick Herman McAtee, 37, and Frances Lorene McKee, 29, both of Smith Mills, Ky.

Howard Dwight Hull, 22, and Lynda Lou Zinn, 19, both of Galatia.

A shallow-well pump works best when the well depth is less than 20 feet.

Michael Hillegas Chapter Promotes Observation of Constitution Week

The Michael Hillegas chapter of the D. A. R. is promoting a program of Constitution Day observance. The chapter is furnishing cards to be displayed in the restaurants of Harrisburg this week, which carry prayer before meals, taken from the First Proclamation of Thanksgiving, made by George Washington, Oct. 3, 1789. On the other section of the double card, is the preamble of the Constitution of the United States. On the reverse side of each, is the historical origin.

Sept. 17 through the 23rd is designated as Constitution Week and Wednesday, Sept. 18, is Constitution Day, and the merchants are being asked to display the flag on that day.

The purpose of the observation of Constitution Week is to recall to the American people the true significance of the events that occurred during the week of Sept. 17-23 in 1787, and to revitalize appreciation of our great heritage which is the Constitution. It was on Sept. 17, 1787 that the United States Constitution was approved unanimously by the delegates. In the week following, the proposed Constitution was made known to the people throughout the country.

The American system had its foundation in the long, bitter struggle of the human race for political liberty and self-government. This struggle came to a head with the framing of the Constitution on principles of liberty and freedom. Nowhere else in the world has freedom been experienced as it has in this country under our Charter of Liberty; yet, this wonderful instrument has its enemies, one of which is the lack of knowledge and indifference of the people who are its guardians. The education of the people becomes the first necessity for the preservation of our institutions.

The Constitution of the United States of America was adopted Sept. 17, 1787, ratified June 21, 1788, in effect March 4, 1789.

On January 5, 1956, Senator William F. Knowland introduced the following Senate Joint Resolution 105:

"Resolved by the Senate and House of Representatives of the United States of America in Congress Assembled, That the President of the United States is authorized and requested to designate the period beginning Sept. 17 and ending Sept. 23 of each year as Constitution Week, and to issue annually a proclamation inviting the people of the United States to observe such week in schools, churches and other suitable places with appropriate ceremonies and activities."

This Resolution was adopted July 23, 1956, and signed into law, (Public Law No. 915), August 2, 1956.

Tomatoes picked green for long distance shipping never reach top quality.

Calendar Of Meetings

In Memoriam
In loving memory of Tommy Joe Owen, who passed away one year ago Sept. 15, 1956:
Beyond the great horizon,
Where the sun forever shines,
Lies a little boy named Tommy Joe,
Waiting for us in paradise.
God reached down his hand
And plucked a flower
That sweet and strong,
To place his His garden of roses,
Where all His children belong.
Sadly missed by his mother and father, and brothers and sisters. 67-1

"Sonny writes that graduation will realize his highest ambition—and he's going to spend the summer on the beach!"

King of Iraq to Wed Princess, 17

BAGHDAD, Iraq (U.P.)—The Iraqi government declared today a public holiday for celebration of King Feisal's decision to take as his bride 17-year-old Princess Fazileh of Turkey.

A palace bulletin Sunday revealed the 22-year-old Iraqi monarch's decision to marry the blond blue-eyed sports-loving princess whose heart he apparently won during a whirlwind summer romance.

It was understood the wedding will take place early next year.

Chicago Produce
Live poultry steady; 95,000 lbs. No USDA price changes.
Butter firm; 472,000 lbs; 90 score 59 3/4.

NEW YORK (U.P.)—Stocks gave up more than last week's small advance in a dull session today.
At noon the Dow Jones industrial average had sunk to 477.52, off 3.50 points; rails 131.96, off 0.76; and 65 stocks 163.63, off 0.85. Utilities showed a gain of 0.22 at 67.80.

Building Broken Into In Buena Vista

The 7-up storage building in Buena Vista was broken into over the week-end. Deputy Sheriff Everett N. Sneed said a window glass was broken to gain entrance and a half dozen cartons of six bottles of soda were taken. The ignition keys to the truck kept in the building also were missing, Sneed stated.

Three Brothers Involved in Four Fatal Shootings; Two Dead, 1 Hurt

MINNEAPOLIS (U.P.)—The father of the three O'Kasick brothers who were involved in four fatal shootings, a kidnapping and a flight from police, said today his sons were "always good as far as I knew."

Michael O'Kasick, 58, was arrested today at Duluth as a parole violator and for questioning about his sons' activities.

Two were dead. Another is in critical condition with a self-inflicted bullet wound. A daughter is under arrest. There are six other members of the family, but they were not sought by authorities.

Another son, Richard, said of his late brothers:

"I knew they were going bad, but there was nothing I could do about it."
The elder O'Kasick, who was on parole from a robbery conviction, said he did not know of his sons' deaths when arrested.
He was asked if he had any "idea" they would end up that way.
"No sir," he sobbed. "I had no idea." He expressed a desire "to be home and help with the rest of the children."
The quiet, short gray-haired

Medley Rites Held at Eldorado

The funeral of Gus Medley, 69, who died of a heart attack in his home at 1515 Hardy street, Eldorado, Thursday night, was held at 2 p. m. today in the chapel of the Martin funeral home in Eldorado. Rev. V. B. Raines officiated and burial was in the Wolf Creek cemetery.

Mr. Medley is survived by his wife, Emma; his son, Edward Medley, Chicago; his brother, Bill Medley, Dixon, and his sisters, Mrs. Lola F. Forester, St. Louis, Mo., Mrs. Douglas Lusk, Detroit, Mich., and Mrs. Lee Bartok, DeSoto, Mo.

Senate Probers To Call Hoffa To New Hearings

WASHINGTON (U.P.)—Chairman John L. McClellan said today the Senate Rackets Committee plans new hearings on the activities of James R. Hoffa before Hoffa seeks the Teamster presidency at the union's convention Sept. 30.

The Arkansas Democrat "tentatively" set next Tuesday—Sept. 24—as the date for starting the new hearings.

The announcement was a partial rejection of Hoffa's request that he not be asked to appear before the committee between Sept. 18 and Oct. 10 when he will be occupied with convention business.

In scheduling the hearings during that period, McClellan said Hoffa will be "invited" to attend them.

Paralyzed Daughter Missing, Father Says May Have Eloped

CHICAGO (U.P.)—A worried father told police today that his 16-year-old daughter, paralyzed from her waist down by polio, was missing.

He said she may have eloped with her boy friend.

Burton Halstead, 41, said his daughter, Marion, left home at 2 p. m. Sunday with Eugene Lilac, 23. They said they were going to a Loop movie and would be home by 7 p. m.

At 7:20 p. m. Lilac called the Halstead home and said he and the girl would be late. Nothing had been heard from them since.

Halstead said he "hoped to God

Births

Mr. and Mrs. Kenneth Earl Powell, Carrier Mills, are parents of a girl, born at the Harrisburg hospital Saturday. The baby has been named Zola May and weighed six pounds, four ounces at birth. The mother of the child is the former Miss Mary Roberts.

It's an elopement "because he feared the couple might have been involved in an automobile accident."

He said Marion and Lilac had wanted to get married but had agreed last Saturday to wait until Marion's 17th birthday next Feb. 8.

Mexico City was the first Latin American city to operate a television station.

20th A-Blast of Series Twice War II Force

ATOMIC TEST SITE, Nev. (U.P.)—The 20th nuclear blast of the Atomic Energy Commission's summer test series slammed into the pre-dawn stillness of the Nevada desert today with an estimated force of nearly twice that unleashed by atomic bombs over Japan in World War II.

Experienced observers said the blast appeared to have an estimated yield equivalent to nearly 30,000 tons of TNT.

Dubbed "Newton," the device flared into a huge fireball while suspended 1,500 feet above Yucca Flat from a helium-filled plastic balloon 75 feet in diameter.

The blast shook observers violently on News Nob, 10 miles from ground zero, and rumbled on in shock waves for hundreds of miles.

The blast shook observers violently on News Nob, 10 miles from ground zero, and rumbled on in shock waves for hundreds of miles.

Twenty-five Air Force planes roared through the sky near the blast area as part of the test. Several civil defense effect experiments were carried on but no animals were used.

The device was so potent that the AEC set up road blocks on U. S. 93 and 95 and Nev. 25 to halt motorists from passing in the vicinity of the test site. Drivers were advised by officers to pull off the road at about shot time and look away from the test site to avoid possible eye injury from the flash.

Forestry Camp Supervisor Slain; 2 Teenagers Held

BENTON, Ky. (U.P.)—Two teen-aged inmates of a dependent youths forestry camp were held here today for the fatal clubbing and stabbing of Horace A. Kennedy, 71, supervisor of the camp.

Kentucky state police said Arvin Johnson, 17, Owensboro, Ky., and a 14-year-old Frankfort, Ky., boy admitted slaying Kennedy Sunday as he slept in his barracks room at the state boys conservation training center near Gilbertsville, Ky.

Police Sgt. Marvin Monroe said both boys had been charged with murder.

Kennedy was struck over his left eye and stabbed three times with a butcher knife pilfered from the camp kitchen.

Johnson told state police he stabbed the aged supervisor twice in the stomach and once in the heart as the younger boy clubbed him with a four-foot-long oak standard ripped from the bed of a state-owned truck.

They told police they took Kennedy's wallet, automobile keys and suitcase and drove off in his car. They were arrested on U. S. 62 near Princeton, Ky.

Dies at Golconda

Mrs. Josie C. Ewell, 78, widow of Felix Ewell, died at 12:30 p. m. Saturday in the home of her son, Kermit Ewell, at Golconda. The funeral was held at 2 p. m. today at the Palestine Cumberland Presbyterian church. Rev. Hugh Perry officiated and burial was in the Sulphur Springs church cemetery.

She is survived by her brothers, Robert Ewell, Golconda and Rue Ewell, Marion.

First public night school for high school subjects was opened at Cincinnati, Ohio, in 1866.

CHANGING TO DIAL PHONES IN HARRISBURG

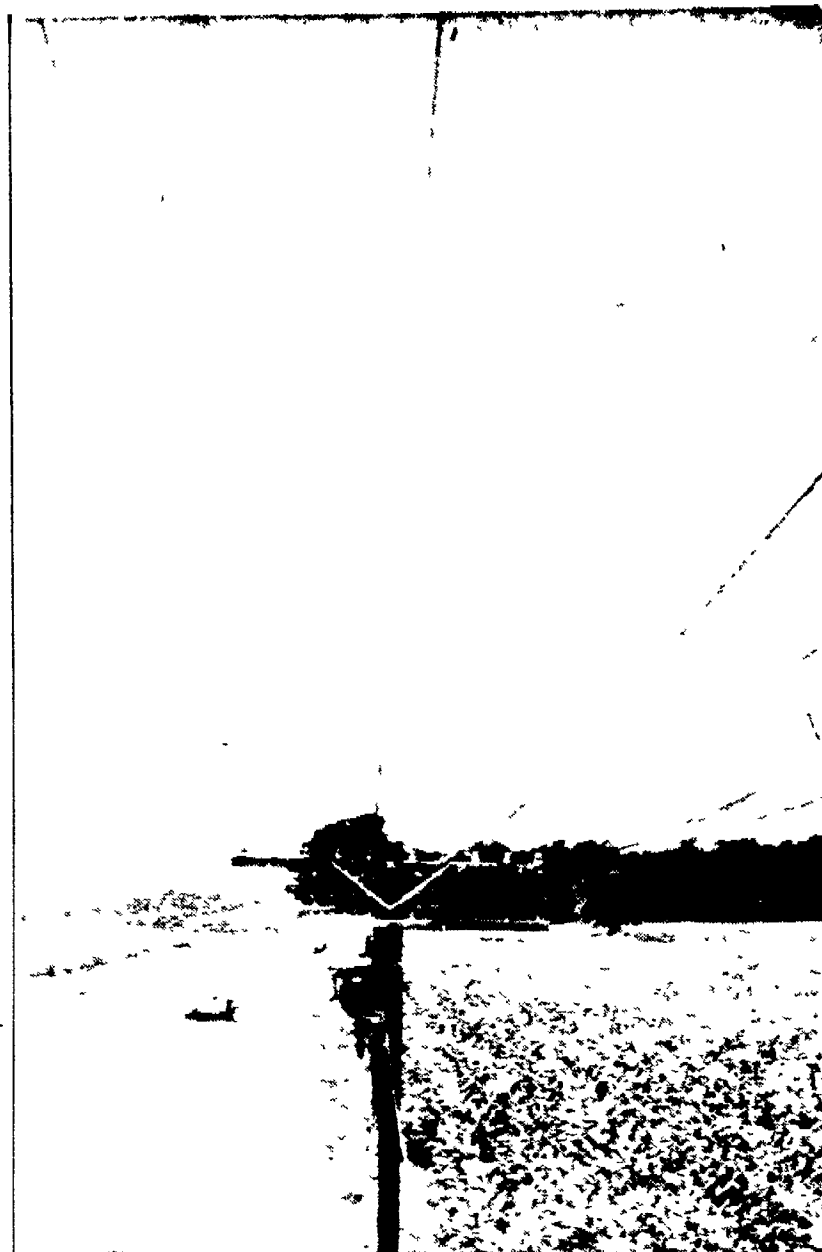

A COMMON SIGHT these last few months is a platform hanging from the telephone wires. The workers on these platforms have been reworking the cables to accommodate the new dial service. The men pictured above are splicing in 200 new lines serving the south part of town and Gaskins City.

THE ABOVE MEN, perched on a fire escape are joining the phones in the bank building to a cable from the new exchange.

building. These lines were previously connected to the old switchboard in the bank building.

IT'S NEW CABLES for old in the rural area east of Harrisburg. The new cable is plastic covered whereas the old wires were bare. Result of the replacement: Better transmission and better protection against bad weather.

How to Use Your New Dial Telephone: Interesting Facts

This is how to use your new dial telephone. First listen for dial tone—a steady humming sound.

When you hear the dial tone, dial your number, omitting the letters on local calls. On dialing all numbers pull the dial around until your finger strikes the "finger stop." Release the dial and let it return without interference.

After you have finished dialing you should hear the ringing sound—a burring sound.

If you hear the busy signal—a rapid buzz-buzz-buzz—the number you are dialing is busy. Hang up and try the number later.

To call a neighbor on your own party line, always listen for the dial tone before dialing.

When you hear the dial tone, dial the code figures 19. Next dial the last figure of your own telephone number. Then dial the last figure of your neighbor's telephone number.

Then hang up and your telephone will ring, your neighbor's also will ring. When your neighbor answers your telephone will stop ringing, pick up the handset and start talking. In case there is no answer, lift your handset and replace it and the ringing will stop.

The first telephone in Harrisburg was installed July 2, 1880. A Mr. Harris connected his office and residence. A newspaper reported "first class material was used and worked all right."

First switchboard operator in Harrisburg was the late Mrs. D. B. McGehee. First messenger boy was O. L. Turner Sr., still a resident of Harrisburg. His job was: When a call came over long distance lines he was sent to the resident to summon the person to a wooden booth outside the telephone office, where the local person took his long distance call.

In 1945 the Harrisburg exchange had 2,200 tele-

phones. In 1957 the number had jumped to 4,600. The present equipment can handle 1,880 lines. There is space available for a more than 100 per cent increase. Equipment installed is by Automatic Electric Co.

A total of 35 extra men were employed in the changeover on the Harrisburg exchange. The physical work in making the changeover took 14 months.

General Telephone Co. is next to Bell Telephone in size in the United States. General Telephone Co. of Illinois is a part of the General Telephone system which serves 3,000,000 telephones in 30 states. General Telephone Co. of Illinois serves 310 exchanges which have 300,000 customers.

First switchboard operators in the country were men. But phone companies soon learned that women made much better operators.

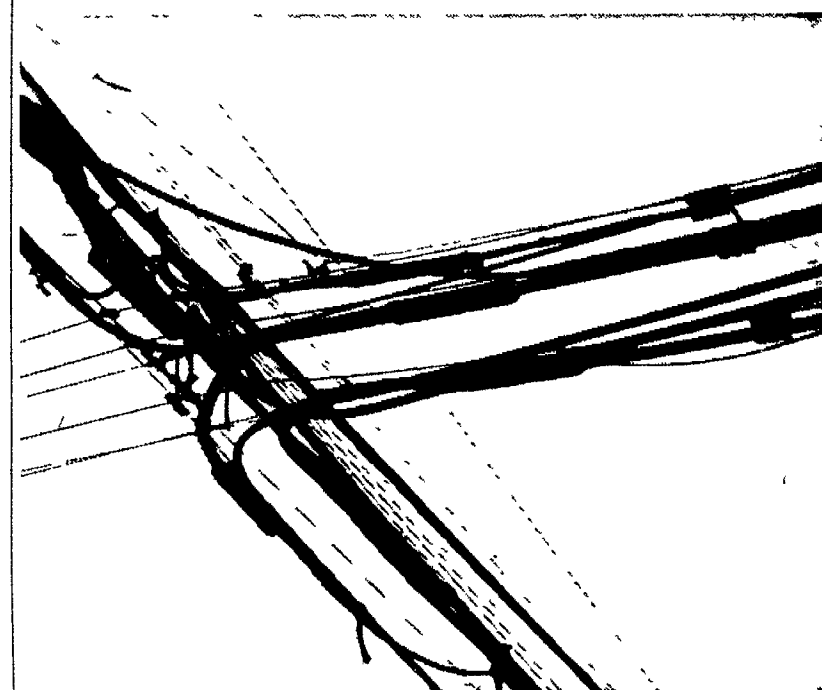

First telephone call in the United States was made June 2, 1875.

To make long distance calls dial 0 (zero) for operator and give name of the place and the number you are calling.

Your telephone contains about 200 parts, some delicate. For best possible service at all times, hang up gently.

Remember, use 3-7134 ONLY for reporting a fire to the Harrisburg fire department. Use 3-7135 for all other calls. For both fire and police at Carrier Mills, dial 2341. At Stonefort dial 7-2341 for fire and dial the operators (zero) and ask for Saline county sheriff's office if law-enforcement officers are needed.

(All Daily Register Staff Photos by Joe Miller)

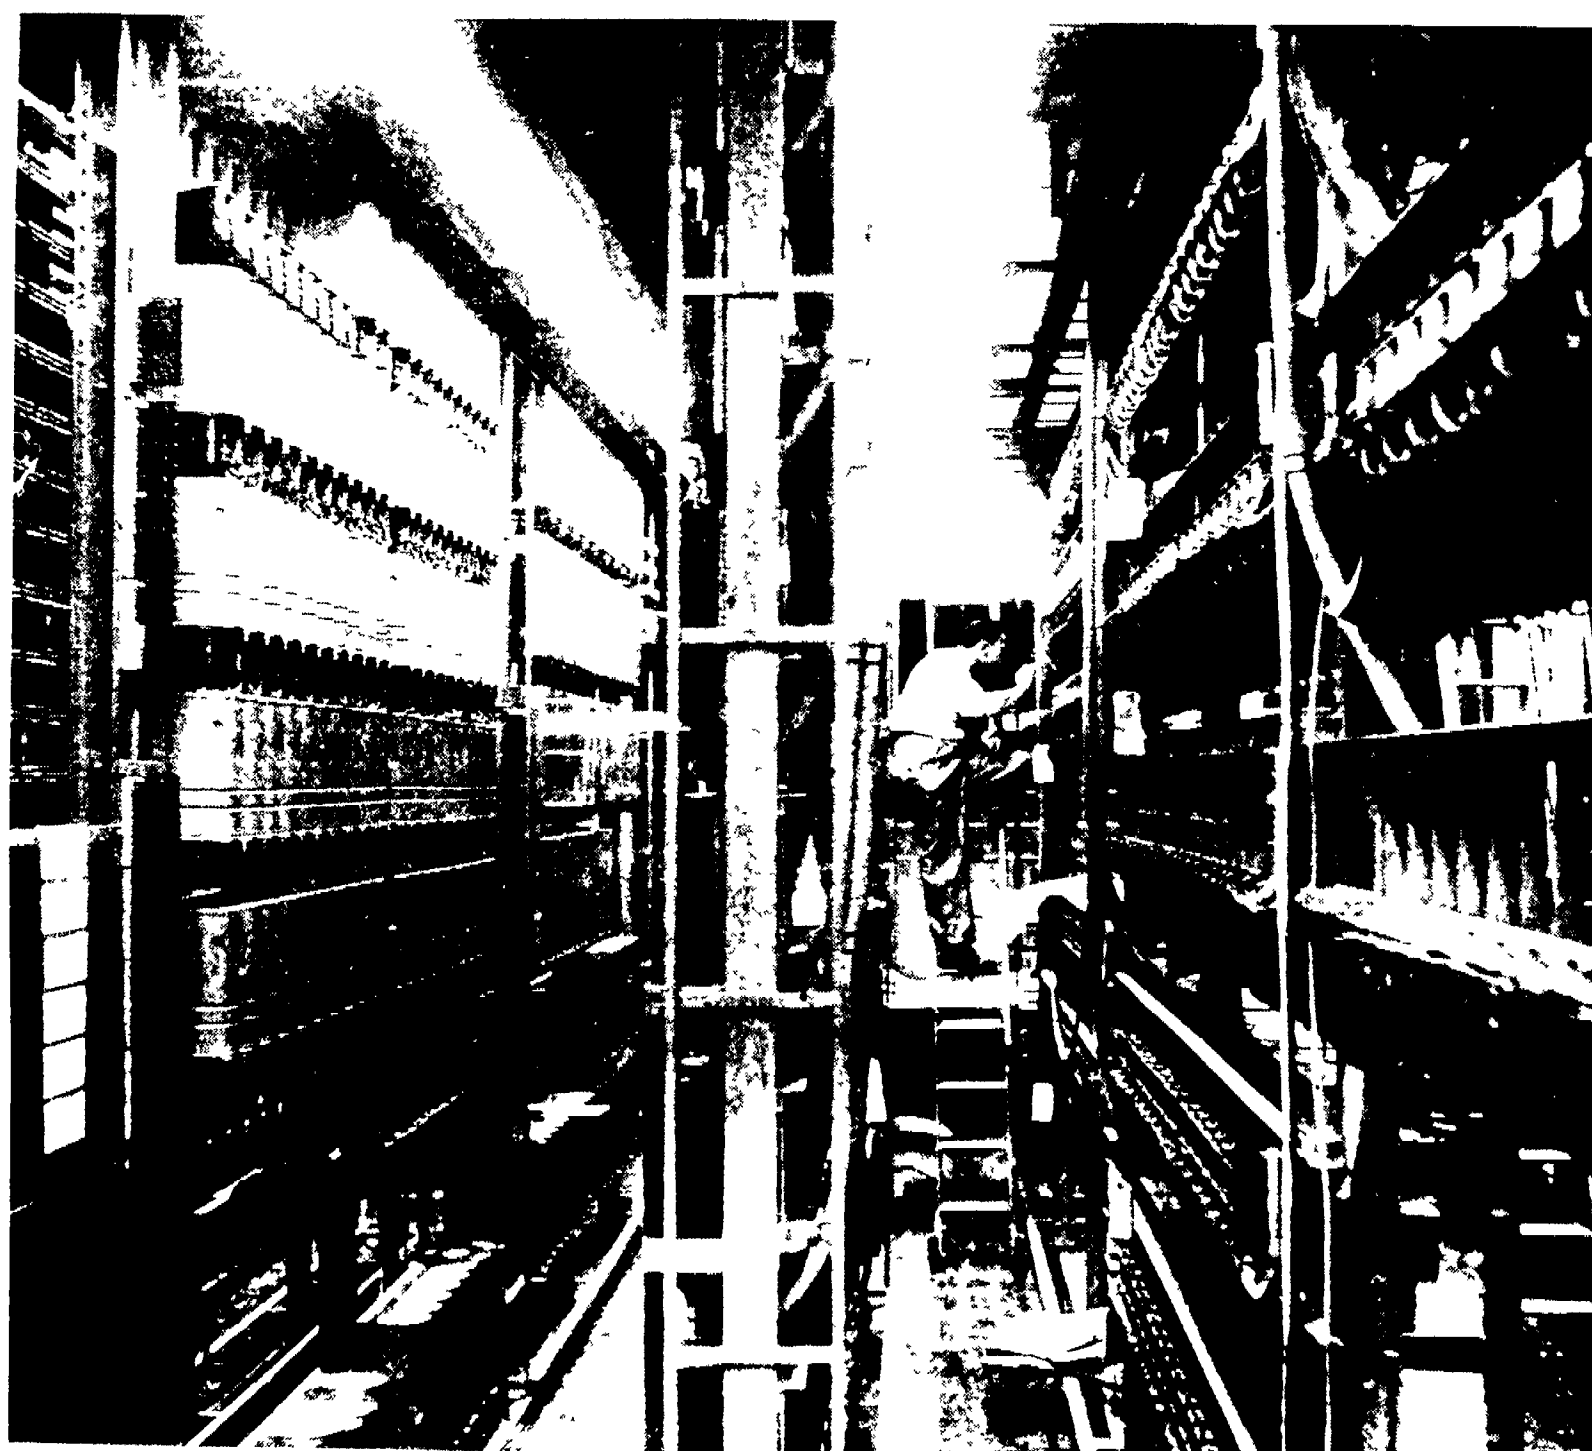

THE TANGLE OF WIRES (above) high in the air at the corner of Cherry and Poplar which led to the old switchboard has been replaced (below) with an orderly arrangement of cables in a vault under the new telephone building. Some of the cables carry as many as 1,800 lines. The muffler-like drums on the cables are connections (splices).

INSTALLER PLACES dial in old phone as part of changeover. While most of the city phones were adaptable to dial, all of the rural phones had to be completely replaced.

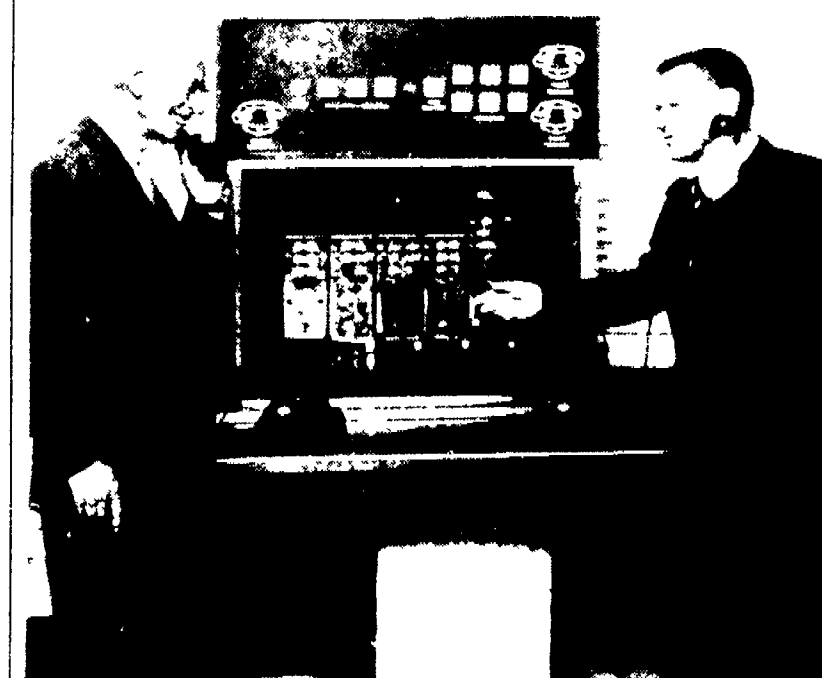

THE OLD SWITCHBOARD, which resembles a many armed giant, is being replaced. This picture, which is in service to handle the long distance calls.

AN AUTOMATIC ELECTRIC COMPANY FOREMAN checks progress on the installation of the new automatic switching equipment, only a part of which is shown in the photo. The large cans

on the left contain relays which actually make the connections between two lines.

MANAGER MILLARD LYNCH explains to Mayor Claud Gibbons, with the aid of a small demonstration switchboard, the operation of the new automatic switching equipment.
